# FALLEN OFFICER MEMORIAL

*Honoring Memphis' Finest*

We are honored and humbled to have the opportunity to present the Memphis Police Department's Fallen Officer Memorial. This project has two primary focuses: 1) canonize the MPD Officers who have given the ultimate sacrifice protecting the safety and freedoms of our community and 2) providing their family and friends a place to remember and honor their loved ones. Currently, 62 MPD Officers have lost their lives in the line of duty and there is no monument to recognize their service.

In the Spring of 2011, a Fallen Officer Committee was organized, comprised of business and community leaders with MPD representatives. Metro Construction was selected as project management team. John & Jin Powell of 2Js Studio were chosen as sculptor/bronze artist and Valentina Cochran of Architecture, Inc. was selected as architect. Oak Court Mall was selected as site for many reasons, including its prominent location, family-friendly atmosphere, and long-standing relationship with the MPD.

A retired MPD Colonel provided the original vision. Architecture, Inc and the committee shaped the conceptual drawing. Metro worked with 2Js Studio to create a 1/6 size bronze mock-up of the proposed centerpiece. Metro Construction has pulled all the various project details and design elements set forth by the committee to construct a memorial worthy of the sacrifices made by the Fallen Officers to create a lasting and fitting memorial, budgeted at approximately one million dollars.

This project is 100 percent privately funded, so we need your help to bring the Fallen Officer Memorial to fruition. Help us honor those Officers who have given their lives protecting our city and recognize the daily efforts of our Memphis Police Department. Please see the contribution form for levels, but every bit will help serve as a thank you for the Officers' sacrifice.
